LB 829

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, this is an amendment that I had attached to this bill or was going to offer but I wasn't here and it moved over to Final Reading. Senator Hillman and I had agreed to the amendment. What it does is strike some controversial language from the bill, but leaves the language that relates to...is it reporting, Senator?...to reporting, which is what we really want to get this year and next year we can try to work our way to some of the other. So I'm asking that this bill be returned so that amendment can be adopted.

CLERK: And Senator, that's...you also had a motion to indefinitely postpone that was filed earlier.

CLERK: I assumed as much. Thank you.

And this particular part of it, which does establish a recording form so that we get a database on domestic violence would be important to get this advanced and have agreed with Senator Chambers would support the return to Select, the amendment, and then advancing the bill. Thank you.

SPEAKER WITHEM: Senator Chambers, do you have a closing on the motion to return? Closing is waived. The question is the return of LB 829. All in favor vote aye. Opposed vote nay. Members, we are on Final Reading. You should be, although you certainly have the freedom to move around the Chamber, you should be relatively close so we can transact our business. Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the motion to return.

SPEAKER WITHEM: It is returned. Senator Chambers, to open on
